

# Mobilize!

*'Well done, you good and faithful servant!' said his master. 'You have been faithful in managing small amounts, so I will put you in charge of large amounts. Come on in and share my happiness!' Matthew 25:21 GNB*

## Why Mobilize?

- Our goal is to help as many Christians as possible involve themselves in The Great Commission.
- We aim to provide ideas that you can action easily.
- We plan to demonstrate that faithful stewardship of our whole lives produces a great work of God.
- We want Christians to deepen their relationship with God as they partake in the work of their father.

## Multiply your talents!

In the parable of the talents we learn what it will be like when the Master returns. It will be unexpectedly and he will demand an account for what we have done with what he had given us.

Many of us have been given 'talents' that we have buried in the ground and are not using for the Kingdom of God. Maybe you didn't do it on purpose but our material wealth can get in the way of seeing things clearly. Using your life and possessions in God's mission is an extraordinary way to see Him work miracles with the simple everyday things. God works in more ways than just through the offering plate!

Our true reward is when we

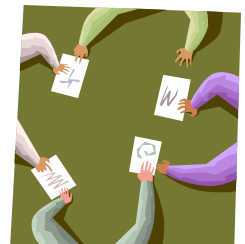

become personally involved in tasks that touch areas of lives that in turn get touched by God.

### ACTION STEPS

1. Get everyone in your church to share things like CD's, DVD's, or books. It will save money on buying them and help build community through personal interaction.
2. Use an online service like Yahoo Groups to put databases online so everyone can see what's available and make contact. See <http://au.groups.yahoo.com/group/dpcmissionshare> as an example.
3. For every item borrowed put a small fee (\$2) into a

money box at your church to go towards mission.

How many other areas in your life can be used for the extension of God's Kingdom?

### Connect to a cause!

Think of the millions of dollars Christians and Christian businesses across Australia spend on phones, mobiles and the internet.

And where do the profits go? To the directors and

shareholders of the major companies...until M28 was formed. We've made world mission our major 'shareholder!' And that has the potential to unlock hundreds of thousands of dollars for world

mission – literally!
